

## **Team Building/Corporate Sessions**

(Maximum 10 people)

Excellent for Corporate or other groups.

One day event.

The importance of strength and clarity in communications is a key asset in any role, whether it is within an organization or the public arena. Effective vocal expression is a skill that gets results and creates inspirational leaders.

This Workshop is an excellent opportunity for Groups looking to enhance their skills presentation their ideas more effectively to their business contemporaries.

Your team will come away with increased individual confidence and performance abilities. They will be inspired and excited to see how working together as a team can create Miracles. Plus, you will have fun doing it.
